

Camp 'Imiloa

Seeing Science Everywhere...

Science Rocks! for Girls

Science Rocks! for Boys

'Imiloa, which means "exploring new knowledge," highlights the human desire to investigate the natural world. Camp 'Imiloa is an opportunity to explore science, math, and culture while having FUN! The camp uses the latest in science kits and equipment as well as 'Imiloa's exhibits and planetarium to offer students an experience to remember. Please join us this summer as we dive into science!
